By The Editor

V

Our Navy Editor had intended to write an editorial about the U. S. Navy, which is putting on an intensive, yet selective recruiting campaign for the next few months; but Alderman Lem Boone's article, appearing elsewhere on this page, made a much stronger case for the Navy than our Naval Editor could make. "Be Practical in Your Patriotism," says Lem. Earn, learn and serve in Uncle Sam's first line of defense!!

Read carefully the interesting advertisement on the back page of Section Two. If interested, write or call upon our Naval Editor, Mrs. W. W. Whitaker, commonly called the old lady.

Several things about the Navy appeal to me, an old artilleryman: a sailor is like a turtle in that he always has his house with him; he is never more than a hundred yards from the kitchen and never misses a meal. Then, too, he can learn something useful to him in life after his discharge. I served 23 months in the artillery and did not even learn to shoot craps or play poker—as I knew that in advance.

Congratulations to our friends, Mr. and Mrs. W. B. Simpson of Holcomb, upon their 50th wedding anniversary celebrated yesterday. Mr. Simpson, the railroad agent at Holcomb for 28 years, came there from Vance and has not had a vacation in 15 years. Six sons and one daughter will join them in a becoming celebration next Christmas. Mr. Simpson has served the railroad about 49 years.

Congratulations to WGRM for carrying the ball game in full on Wednesday afternoon. Neither WREC nor WMC carried it.

Mrs. Fred Simmons, whom I called "Little Texas" when she was so good to me when I was in the hospital, has been quite ill, and all of us are "pulling" for her.

The portrait of Miss Constance Thompson, native Grenada girl, appeared in many of this month's national magazines in connection with a Sinclair ad.

The presence of several army colonels and other army personnel in Grenada clearly indicates that the idea of an army camp near Grenada is indeed a "live" idea.

One of our licker drinking friends reported that nothing but wine and beer could be bought in Grenada on Saturday and Sunday. The officers certainly are making things mighty hard on the poor saloonkeepers.

For the third consecutive year, insurance rates (for fire) have been reduced in Grenada. That's a fine record and one to be proud of.

Aint Mrs. Cathey's picture pretty. Aint Mrs. Cathey pretty.

When contacting the Navy Recruiting Officer, you will confer a great favor on the GCW by mentioning that your interest in that branch of the service was aroused by what you saw in this newspaper.

Glen Douthitt is assured of some good reading matter for three months.

The reader need not conclude that the Grenada shirt and tie were the only articles of apparel worn by our new U. S. Senator when he was sworn into office. He had everything else needed, including Collins' scalp hanging from his belt.

Mary Louise certainly has a handsome beau.

The navy building program is far ahead of schedule, and your old uncle needs men—good men, alert and intelligent men—to man these new ships. Investigate the desirability of joining the United States Navy.

W. B. Nicols has gone in for poetry, and here's his initial effusion: Here's to Henry Kahn (A grand old Man) Who stubbed his toe (As you and I well know) And voted for the wrong congressman.

The river WPA boys certainly are making the old Yalobusha a face lifting, massage and finger wave job. We started to say permanent waves, but that would not be so, for the sapling will grow up again and the channel will fill up with debris again.

Uncle John Gibson, whom George Garner surreptitiously sized up for length, weight, etc., has got all right, and makes his twice-daily visits to the court house forum.

Mr. and Mrs. Herbert Allen visited friends in Jackson and Camp Shelby a few days this week.

GRENADA, GRENADA COUNTY, MISS., THURSDAY, OCTOBER 2, 1941

NUMBER TEN

Grenada Shirt And Tie Worn By Senator Doxey

Following the official count by Secretary of State Walker Wood last Saturday morning, September 27, 1941, had received 59,556 votes and his opponent, Ross Collins, had received 58,737 votes, the new U. S. Senator from Mississippi, elected to fill the unexpired term of the late U. S. Senator Pat

JUNIOR U. S. SENATOR

HON. WALL DOXEY

Harrison, was sworn into office on Monday of this week.

When he spoke in Grenada at the beginning of the short campaign, his friends here, inspired by his lead manager, H. J. Williams, presented him a beautiful white shirt and a handsome new tie which were to be worn "when he took his oath of office." This apparel was worn by the new senator upon that occasion.

His attractive wife and his brother, "Puddin' Doxey, who served as the Doxey campaign manager, posed thru Grenada on Monday enroute to Holly Springs.

First Butter At Kraft's Handsome New Plant

The first butter, a batch of 200 pounds, was produced at Grenada Farms—Kraft's handsome new dairy products industry, four miles north of Grenada on 51 Highway—Saturday.

Mr. W. G. Wylie, formerly with the Kraft cheese plant at Macon, Mississippi, is in charge of butter production there, and he has been superintending the production of the famous A. & M. Butter in that Noxubee dairy center. He and family now live in Grenada.

Mr. Harvey Rochin, formerly of Senatobia, and a 39 graduate of State College is with the milk department there.

Thus Grenada Grows.

Who's At The Hospital

BY AINT THEY SWEET

The following persons are now in Grenada Hospital: Mrs. F. P. Carville, Winona; Rev. N. B. Sancier, Coffeeville; Travis Simmons, Coffeeville; Mrs. J. W. Lesterbee and baby of Calhoun City; Mrs. Lucille Keadale, Tutwiler; Wilma Jean Williams, Sweetman; Miss Elise Lockett, Grenada; Bruce Austin, Tie Plant; Mrs. Wilma Wilson, Big Creek; Mrs. Quay, B. Webb, City; Mrs. Willie Lee Wellhite, Carrollton; J. F. Ellenburg, of Duck Hill; Mrs. Fred Simmons and baby of Grenada; T. S. Ferguson, Carrollton; Chas. Hill, Duck Hill; Mrs. Aubrey Hood of Eupora and Benton Gale and Henry Dale Fly of Coffeeville.

The following patients have been dismissed: Miss Carolyn Tilghman of Grenada; Mrs. Rex Martin of Vardaman; George Rice Byrns, Casella; P. A. Bennett, Valden; Winnie Pearl Loft, Grenada; Mrs. Amber Wiles, Oxford; Mrs. E. L. Middleton, Olexandra; Miss Marie Young, Grenada; Baby Terry, Charleston; Mrs. Aubrey Terry, Charleston; Miss Willie Young, Big Creek; W. G. Carpenter, Carrollton; Mrs. Ralford Brown, Grenada; Mrs. W. M. Clark, Avalon; W. L. Deloach, Greenwood; Miss Jenn Geeslin, Grenada and W. H. McCormack, Grenada.

The Stork Flew By And Left...

A little daughter, not yet named, for Mr. and Mrs. Lesterbee of Calhoun City at Grenada Hospital on October 1, 1941.

Thomas Jefferson Smith Died Last Saturday

Mr. Thomas Jefferson Smith, 84, died in his home in Grenada early last Saturday morning, September 27, 1941.

Mr. Smith was a member of the family that had lived in the Rosebloom and Casella neighborhoods for nearly a century. He was born in the Smith old homestead on March 26th, 1858, and therefore personally witnessed the terrible times after the Confederate star began to wane, as well as the equally as terrible times that are now called the Reconstruction days. He lived in that community practically all of his life until about two years ago when he moved to Grenada to live with his son. The blindness that he has experienced for the past ten years, he attributed to staring at the red and white-hot iron and steel that he fashioned on his anvil. He was kindly regarded by all the people who knew him. He was married twice and his second wife, the former Miss Ellen Kindall, is among his survivors. He was a member of the historic Ashland Baptist Church, first established in his immediate neighborhood, later moved to the town of Casella, and became a member thereof in early youth.

He was buried in the Smith old cemetery, a spot within a few yards of the place of his birth, on Saturday afternoon. Officiating were Rev. Glen E. Wiley, Rev. George Lykens, and Rev. N. O. Neighbors. A host of friends and relatives paid their last respects to this venerable and respected citizen.

Pallbearers were Messrs. B. C. Smith, Pete Smith, Frank Smith, R. J. Sykes, W. M. Henderson, and D. Smith.

Surviving him are his widow and four sons, Harper and Miles by his first marriage, and John and Charles by his second marriage. A brother, E. R. Smith, of Grenada, and a sister, Mrs. J. E. Kiker, of James, Mississippi also survive.

To the sorrowful ones, we extend our sincere sympathy.

1941 State Fair Opening Monday In Jackson

Scores of Grenada County citizens are planning to attend the Mississippi Free State Fair and Livestock Show to be held in Jackson next week.

Opening Monday, October 6, with a spectacular, patriotic parade in which units from Camp Shelby and the Jackson Army Air Base will participate, the exposition will continue through Saturday, October 11.

Highlights of this year's exposition will be the Livestock Show, sponsored by the state's leading producers, with a premium list totaling more than \$7,000.00. Two giant circus tents are being erected to take care of the overflow entries which include more than 250 dairy cattle, hundreds of head of beef cattle, sheep, swine and workstock.

Other features of the State Fair will be the Farm Show, 4-H Club and FFA Show, Flower Show, Implement Show, Country Show, and Textile and Fine Arts Shows. In addition to Hinds, host county, with its "Fair Within a Fair," other counties to be represented in the Farm Show include Jones, Rankin, Stone and Yazoo. All county exhibits will take their theme from the theme of the Fair "Mississippi Mobilizes for Home Defense."

An elaborate entertainment program is also announced for State Fair visitors. Outstanding among 20 tent attractions and 22 thrilling rides on the midway will be "Dude Ranch" of the San Francisco Exposition and "The Spit-Fire," a high-speed device. "Fair Follies of '41" is the title of the grandstand night show.

If interested in joining the fine organization, the U. S. Navy, be sure to clip the coupon and send it in, indicating that you saw it in the GCW.

Alderman L. D. Boone Appreciates Navy

The following is a statement of Mr. L. D. Boone, former Chief Petty Officer in the U. S. Navy during World War days, and now manager of the Boone Cooperative Company and member of the City Council of Grenada:

"Having served in the U. S. Navy during the years of 1917-18-19, I feel qualified to say something about its advantages.

"In times like the present, our young men are not thinking of personal aggrandizement. However, the present emergency is only temporary and it would behoove young men when offering their services to their Country, to look to the future. WHAT ARE YOU GOING TO DO WHEN THE PRESENT CRISIS HAS ABATED?

"The Navy will train you! They will take you as an apprentice and discharge you as a skilled ARTISAN.

"You will find that advancement in the Navy is more rapid, in times of National Emergency, than it is in civilian life.

"Why not be practical in your patriotism? Help your Country and by so doing help yourself."

Mr. E. M. Sherwood Retires After 57 Years Service

After 57 years railroad service, Mr. E. M. Sherwood, Agent at Grenada, was retired Tuesday, September 30, 1941. The last day of his service was marked by two events designed to honor this valued employee and respected citizen: first, a Rotary luncheon of which Mr. Sherwood was the honored guest, and second, a banquet given by the local I. C. Boosters Club at which, to, he was the one being honored.

Mr. Sherwood was born in Evansville on September 2, 1868, and at the age of 16 became a messenger boy in the general office of the Evansville & Terra Haute (now part of the Chicago & Olton) railroad. After three years with this road he resigned his position

MR. E. M. SHERWOOD

to become a clerk (to which he had been promoted with the E. & T. H.) with the Illinois Central at Evansville on August 1, 1887, since which time he has been continuously employed by the I. C. System. Successively he was clerk, cashier, chief clerk, yard master and agent. He has been agent at Hopkinsville, Ky., Evansville, Ind., and Grenada. During the period, 1904-1905, he was traveling freight agent for the I. C. with headquarters at Jackson, Tenn.

Coming to Grenada on February 13, 1914, more than half of his years of service with the I. C. System has been spent in Grenada. He has been repeatedly honored by his company. In 1927, he and his wife, who died in 1935, received a life time pass; and on the anniversary of the completion of 50 years of service, he was presented a gold service card—the highest honor paid by the company to its employees.

Mr. Sherwood's retirement is entirely voluntary and he says "it is with much regret that I take this action, but that from a health standpoint, I feel it is to the best interest of myself and the company I represent to retire." He further states, "I am happy in the thought that my business retirement will in no way sever my friendship for Grenada and its good people, among whom I have lived so long and so pleasantly and whom I have striven to serve to the best of my ability for so many years. I intend to continue to make my home here in Grenada with my son, W. J. Sherwood and family."

The Grenada County Weekly believes it expresses the sense of the entire community in expressing to Mr. Sherwood its appreciation for his long, courteous and efficient service, and in wishing for him the enjoyment of retirement that his long and faithful service to his company and to this community merits.

By the way, somebody said Ford was in Grenada a few weeks ago, but he did not design to honor the GCW with a visit. The last election is water gone over the mill, Ford.

Joins Grenada County Weekly Force

On September 22, Andrew Donelson Whitaker, second son of Mr. and Mrs. W. W. Whitaker, joined the force of the Grenada County Weekly after resigning from his position as a knitter at Grenada Industries, Inc., where he had worked for the past 18 months.

ANDREW DONELSON WHITAKER

The other son of the family is Corporal W. W. Whitaker, Jr., now a Corporal in the 31st Tank Destroying Battalion. The latter is a columnist in this newspaper. The youngest of the two daughters of the family is Editor of the Bulldog, a weekly feature of the GCW.

So it looks like the Whitakers are running the GCW.

Woman's Auxiliary Will Meet Here Oct. 7-8

The 29th annual meeting of the Woman's Auxiliary Synod of Mississippi, Presbyterian Church, will be held in Grenada October 7-8, according to Mrs. A. S. Brumby of Starkville, president.

Among the prominent speakers who will appear on the program are Dr. H. H. Sweets, of Louisville, Ky., executive secretary of Christian Education and Ministerial Relief Dr. H. Kerr Taylor, of Nashville, Tenn., educational secretary of Foreign Missions, Dr. E. B. Paisley of Richmond, Va., president of the Assembly's Training Schools; Miss Bessie Lewis, of Richmond, Va., field representative in the department of publications; Dr. R. E. Hough, of Jackson, Miss., moderator of the Synod; and Dr. R. A. Bolling, Synod's chairman of Woman's Work.

Reports from the following cause secretaries will be given: Mrs. H. N. Street of Centerville, Spiritual Life; Mrs. Paul Wells, of Raymond, Foreign Mission; Mrs. Jason McCool of Los Angeles, White Cross; Mrs. O. M. Anderson of Rolling Fork, A. H. Mission; Mrs. O. C. Neill of Greenwood, S. and P. Missions; Mrs. O. F. Mansell of Camden, chairman Education and Ministerial Relations; Mrs. Wade Barrell of Port Gibson, Religious Education; Mrs. J. S. Wood of Sardis, Literature; Miss Bessie Cowan of Moss Point, Social Service; Mrs. C. C. Atford of Jackson, Negro Woman's Conference; and Mrs. Mary Kennedy of Jackson, Business Women.

Election of officers will be held on the afternoon of the second day, and installation made by the Synod's chairman of Woman's Work.

Open House At Oliver-Lilly On Friday and Saturday

The Oliver-Lilly Motor Company, dealers in Ford and Mercury cars, will proudly exhibit the new Ford and Mercury cars to the public on Friday and Saturday of this week.

Invitations is most cordially extended to every person within fifty miles of Grenada to visit the show room to see the new cars, they are invited to go through the entire plant (which is considered by those who know to be one of the most modern service stations and repair plants in the State), they are invited to see the body and paint department, to see how expertly this company reconditions used cars, to note the equipment which permits meticulous care in adjustments in cars and in their component parts, and, finally, to become acquainted with the personnel of this company.

Every person driving through their service department on Friday will receive a card entitling the car being driven to a free grease job, either on that day or later.

Oliver-Lilly Motor Company most cordially invites YOU to see "The Beautiful New Ford For 1942."

Aint they sweet.

My Column

Cpl. Ohpke Whitaker Jr.

V

The war is over! Bang! Boom! goes guns of all calibre. We welcomed the news Sunday afternoon with arms wide open. The "Blue" army of Lt. General Walter Kruger has just finished giving the "yoo-hooing" "Red" army of Lt. General Ben Lear the licking of its life. In fact the "Red" retreated so fast, in the second phase of the battle, it was impossible to make contact with them for several days. Maybe it could be that the girls on the golf course were witches, or possessed the power of them.

Regrettably this column submits the march order which concerns the men from Grenada. The army reserves the right to change its mind a bit, but we feel sure we will leave in the third echelon which pulls out Friday. The first night will be spent in Hammond Louisiana; second over-night stop will be in the dear ole Magnolia State at Gulfport; and Sunday night will find us in the city who's nearby waters furnished the setting for the initial under-water trip in a crude submarine, from then on it won't make any difference as love ones probably won't care to venture further.

Lovers lanes galore! The love struck ones of Louisiana won't have any trouble finding their nest. If the army made one side road it made a thousand.

Two solid months we've roomed in the Green Room of Hotel Woods. Instead of bed bugs we've had ticks; showers gave way to creeks; soft beds were traded for Mother Earth; and, all in all the civilian hotel has been quite different from our "Green Room" in Hotel "Woods." We've been wet, dry, hot and cold; we've been tired, sleepy, dirty and hungry; we're "aint" kicking, we're not joking. Of course we're glad it's over and proud of the fact that the present army can take it.

We spent Saturday night on the hill where once the Capital of the province of Texas, The Presidio (fort) Nuestra Señora Del Pilar De Los Adais was founded in 1721 by the Spaniards on the crest of this hill as the Easternmost post of the Spanish empire in the West and for fifty years was the Capital of the province of Texas until its abandonment in 1773. It is near Robeline, La. The old Spanish Fort was a contemporary to the French one at Natchitoches.

We are sorry to hear that Mr. Harry Lee Pope, father of Charlie Pope, who at one time lived in Grenada, has been very ill. Private Pope returned from the bedside of his father in Jackson, Sunday.

From six to sixty—the citizens of the little French town of Mamou really turn out to the dine and dance hall (better known as a jook). Privates Jones and Martindale and Corporal Provine and yours truly visited this picturesque little town and really enjoyed it. Very few of the people could speak English and according to Provine they murder the French language.

Service stations in the vicinity of Mamou are few and far apart. The people use horses and buggies as their primary means of transportation. Along the road we saw at least 50 buggies with a lady in each giving her offspring a Sunday ride.

Mrs. H. D. Lane, Jr., and "Hoot" thrill from the hosliery mill, Miss Ruth Sweatland are slated to be present when we pull in to Gulfport.

Col. Sagen issued an order to the effect that breakfast would be served at seven Monday morning. We started to petition him against it, changing the time to 3:30. We were afraid that our digestive system might go hay-wire eating food after the sun rises.

Brother "Hoot" Roane swears by the living God we both adore, he is going to enter the political arena as soon as his contract terminates with his present employer, Uncle Sam. He has a big following already among the army men. Roane is for the average man. (Continued to Page 4, Section One)

THURSDAY, OCTOBER 2, 1941

Cotton Problem

(Mrs. W. W. W.)

All over the deep South, as in Grenada County, is a group of farmers who will always grow cotton. They will grow cotton (and love it) even if it brings them only 2c per pound.

Cotton fiber may reach the stage in over production so far as its use for clothing, household goods and utility cloth, such as tents, mattresses, etc. is concerned, but the by-products of cotton—the seed from which food for both man and beast is made, constitute another thing entirely.

Our agricultural program is made by Southerners—it is carried out in the magnificent Agriculture Department in Washington, by graduates of Southern Universities and Colleges and is under the very thumb of Southern senators and congressmen. In other words, official Washington lets the Southerner manage its section's agricultural production and problems. What happens in relation to tariffs, tax, etc., is another thing—but the Southerner, is the man in charge of the agricultural program in the South. If the present program is a failure then let better plans be submitted. Let intelligence come from within, and less, as we are prone to say "those economists up north."

Should restrictions be removed from cotton acreage, yet restrictions placed on the amount of fiber cotton sold, the South could become a better place in which to live.

Cotton could then be planted for its seed value and as a result mills and crushing plants to turn the humble seed into lard, oil, stock feed, roughage, etc., would spring up as thick as country girls used to be.

The lint from cotton acreage planted for seed value could be sold to the government at only a few cents per pound, to be used in munition manufacturing, or could be held by a tenant or landlord against the crop failure year (such as this year when the boll weevil damage is so great). This arrangement, under the supervision of the government, may take the place of cotton crop insurance, parity checks and the endless re-checking job of thousands of acres.

The prospect of old men, aided by young children and women, as the chief producers of farm products and the HARVEST is a possibility in this war-torn world, so it is a very sane theory, with great possibilities, that thought be given to cotton being grown for its seed value. Certainly it is one that the great negro tenant population of the cotton belt would understand and prosper by.

Me and the GCW.

Congratulations to Senator Wall Doxey. Our jinx has been killed.

UNDER THE MAGNOLIA TREE

By Herbert B. Allen

Mobile, Alabama, October 1. This week has witnessed many important developments in the nation regarding the navy and the merchant marine. President Roosevelt, and the veteran Senator Connolly of Texas, have focused attention on the realities of the situation. They are asking, "What is the use of large scale production of food and munitions for the allies, if those materials do not reach their destination?"

The entire economic structure of the United States is being dislocated to convert peacetime industry into wartime industry. The system of priorities that was created to supply wartime industry with the materials and supplies required for immediate use, is placing an increasing burden upon peacetime production requirements.

Enormous appropriations of money to finance wartime industry have resulted in an inevitably heavy burden of taxation being placed on the shoulders of the nation—and we are just beginning to learn what heavy taxation really means.

The conversion of our industry for munitions production, and the imposition of heavy tax schedules are designed to accomplish just one primary purpose—the banishment of Hitlerism from the world. Yet we continue to play with the fiction that at one and the same time we are at peace with Hitler, and that we are planning his destruction. How long are we going to continue to allow this farce to hamstring our national effort to destroy Hitlerism?

Long and bitter debate will now resound in Congress over whether we are to scuttle the neutrality law, or merely revise its wording. Quite frankly, these debates are going through the motions of fanning the air. They are not even sincere debates. Those who hate the President must always find some skirt to hide behind while they attack him.

The question before Congress is not whether to amend a law that has been openly violated for a long time. The issue is whether Congress has the courage to put into effect the policy which the great majority of Americans approve and demand from their representatives. They want Hitler eliminated from power. They want this world made a safe place in which this nation, and other democratic peoples may live in security.

Along the Mobile, Alabama, harbor front this week, there is a scene well calculated to reveal the ridiculous position in which the United States is placed, both in the eyes of thoughtful Americans, and of the entire world.

The scene along the Mobile waterfront is one of day and night activity. The night scene is particularly brilliant and picturesque. Electric lights blazing along the shipyards reveal the night shift of workers busily engaged in the grim battle of building ships to replace those sent to the bottom by the Nazi submarines.

The glare of electric welders at work on ships in all stages of construction dot the shore line across Mobile River. A ferry carrying supplies to the workmen is constantly shuttling between shore and shipyard. Every mechanical device known to industry is employed to expedite the construction of the vessels.

Primarily these ships are being built because the

people and the government of the United States are supposed to believe that they are necessary in a cause which is vital to the preservation of the American way of life. If that were not a fact, these vessels would not now be in course of construction on every shipway in the country.

But, if these ships are necessary to aid in preserving our way of life, why are they, and the cargoes of food and munitions they are intended to carry overseas, not given the protection of the United States Navy? After all, what is the navy maintained for?

Either the United States is in a perilous position, as well as the rest of the world, or it is NOT. The effort to manufacture vast supplies of munitions is wrecking our economic and financial structure, and burdening the nation with immense tax bills. If we must make the economic and financial sacrifices, then let that sacrifice not be made in vain. Let these expensive ships and munitions and food be safely conveyed to destination—or call the whole thing off!

If the United States is not in any definite peril, or if it is no concern of ours what happens to other democratic nations of the world, then let us determine that such is the case. Then it will be in order to cease the present strain on our economic structure and cease going into debt to a degree that threatens our national solvency.

The business of being half in, and half out, of the terribly serious business of collaborating to destroy Hitlerism is a national disgrace. We have the industrial system to manufacture the munitions, tanks, planes and artillery; we have the ships building to carry them abroad; we have the powerful United States Navy to safely convey them to their destination. Let us then use them all—or let us use none of them. Together they are an effective team—separately they are ineffective.

Our present vacillating policy harms both this country and the allies. Congress should face the real issue. Are we going 90 percent of the way in our war effort—or are we, by such fictions as the neutrality law, going to cut our effectiveness in half, by reason of the heavy sinking of vessels by submarines?

Or shall we go 100 percent of the way, and have the United States Navy safely convey our shipping, with their precious cargoes of food, tanks, aircraft, munitions and food, so that our effort is felt at the end of the line on which it is intended to be felt—by HERR HITLER!

Fortnightly Club Has Musical And Tea Wednesday

This week, which combined the last days of September and the lovely first days of October, has been an unusually active one for club women of Grenada.

On Wednesday afternoon the Fortnightly Club entertained with a very delightful musical and tea at the Community House.

For this delightful event, each member was privileged to invite three guests, so quite a large audience greeted the visiting musicians who came from M. S. C. W. at Columbus to perform before the Grenada club. Mrs. Walter V. Davis, an alumnus of M. S. C. W., graciously introduced the two gentlemen, who are members of the

Nocturne, Op. 72, No. 1, Chopin.
Romance, Schumann.
Premier Arabesque, by Debussy,
Dr. Gerdlie.

Symphony Espagnole, Lalo, Allegro
Non Troppo.

Indian Lament, Dvorak.
Maiden's Lament, Albaniz.
Minuet, Nini.

La Gitana, Kreisler, Mr. Russell.

On the close of the recital, Mrs. C. Cathey, president of the club, spoke briefly in appreciation of the wonderful program of music, thanking the young gentlemen for the beauty and delight of each selection.

The guests were then invited into the dining room for tea. Mrs. Cathey and Mrs. L. E. Noble poured tea and were assisted in serving by quite a large committee of members. The tea table was draped with lace and was centered by a beautiful floral centerpiece of unusual arrangement. Many vivid-hued garden flowers were charmingly illuminated by the lighted tapers glowing near them. Delicious tea with lemon was served with sandwiches, mints, cookies and dainty French pastry.

The Fortnightly Club certainly is to be congratulated upon presenting two such talented musicians to their Grenada friends.

The membership includes twenty-four splendid young women of Grenada who are motivated by the desire to make better citizens for home and community. They are active in several projects. However the "milk project" is their pet project. They furnish fresh, wholesome sweet milk to the underprivileged school children who eat lunch in the WPA lunch room at school.

Last winter they furnished milk for 68 children. Aside from their great help to the children who do not have sufficient milk at home, the Fortnightly Club members donated enough money to pay tuition for some of the children in the Fair Grounds School District who would otherwise have had to drop out of school at the end of the seventh month. The amount, although not large came to \$100.00.

Their project for the coming months will again be to furnish milk for the underprivileged children in school, and the milk bottles will again appear in all public places. They welcome pennies, nickels, dimes or larger donations.

The following ladies are members: Mrs. Juel Batson, Mrs. Bertram Bays, Mrs. L. D. Boone, Mrs. Harry Burkley, Mrs. Roger Burt, Mrs. S. B. Caruthers, Mrs. C. C. Cathey, Mrs. W. V. Liles, Mrs. C. V. McKell, Mrs. J. E. Murray, Mrs. L. E. Noble, Mrs. E. R. Pleasants.

PRESIDENT

MRS. C. C. CATHEY

faculty, with words of interest pertaining to each one. Both Mr. Theodore Russell, violinist, and Dr. Gerdlie, pianist, studied under outstanding talented teachers in America and Europe. Mr. Russell has a Master's degree from Northwestern University in Chicago and studied with Enesco in Paris and Joseph Szigeti in Switzerland. Mr. Leigh Gerdlie, pianist, has a Doctor's degree from the University of Iowa and spent two years in Oxford, England, having been awarded a Rhodes Scholarship. These two young men delighted their audience with solos and duets. The following recital was arranged and announced by the musicians.
Sonata in D Minor by Brahms
Allegro—Mr. Russell and Dr. Gerdlie.

REPORT OF CONDITION OF

GRENADA TRUST & BANKING CO.

of Grenada in the State of Mississippi at the close of business on Sept. 24, 1941.

Bulk Turnip Seed

FRENCH MARKET

WEDNESDAY BRIDGE CLUB

A most pleasant social affair was the bridge club meeting at the charming home of Mrs. John Ben Perry, Jr., on Wednesday of last week.

Lovely roses and gay garden flowers were arranged at points of vantage throughout the reception rooms and the tables were arranged in the living room.

Mrs. Fred Clemens was the only non member guest present.

In the late afternoon, Mrs. Perry served a delectable salad with tea.

New Crop Honey

FRENCH MARKET

DUPLICATE BRIDGE CLUB MEETS

The handsome home of Mrs. R. C. Trusty on South Street was charmingly arranged and decorated with roses on Tuesday afternoon as guests arrived for Duplicate Bridge games at three o'clock. Eleven members and an extra guest, Mrs. David Dubard, were present. Mesdames L. E. Noble and David Dubard compiled high score and Mesdames E. R. Pleasants and Roger Burt were second high.

In the late afternoon, the hostess served a plate of delicious chicken spaghetti and hot rolls with coffee.

Grenada friends of Mr. and Mrs. Henderson regret their departure to Greenville from Grenada. Mr. Henderson is a valued employee of the Mississippi Power and Light Company.

Italian Seed Rye

FRENCH MARKET

Mrs. W. E. Jackson, Mrs. W. W. Garner, and Mr. and Mrs. J. R. Lockett all attended Earl Carroll's musical comedy in Memphis early this week.

The MacDowell Musicale will have a program at the Community House this (Thursday) afternoon. Details of this affair will appear in the next issue of this newspaper.

Soldier boys at home include Fredrick Theisman, "Bubber" Echols, W. W. Whitaker, Jr., Earl Litten, Heck Lane and Sam Provine.

Winter Rye Grass Seed for Lawns. — French Market

Mrs. Lawrence Nichols, of Memphis, visited her friend, Mrs. W. R. Todd, this past week. Mrs. Todd and Mrs. Nichols were childhood friends in Aberdeen.

Mrs. John Bradley and Mrs. E. L. Bass spent Wednesday in Memphis.

Mr. and Mrs. Fred Clemens left Wednesday for Fort Wayne, Ind., to make their home there. Mr. Clemens has been a valued employee, as Superintendent at Grenada Industries, Inc. for several years and Grenada friends of this splendid couple regret their departure.

Mr. and Mrs. J. B. Perry, Jr., also Mr. and Mrs. C. C. Cathey spent Sunday in Lula at the plantation home of Mr. and Mrs. Roland Jones.

Miss Aileen Bridges is visiting her aunt, Mrs. Alford in Collins this week, having left on No. 3 Tuesday.

Winter Onion Sets

FRENCH MARKET

Robert Horn, of Millsaps and John Keeton, freshman at Ole Miss, spent the week-end at home with their parents.

Mrs. J. E. Stokes, who has been the guest of her daughter, Mrs. Durrow Horn for some time, left for Benton, Ky., to visit another daughter, Mrs. Sorrell and family.

Mrs. C. C. Provine and Misses Elizabeth Rose and Dorothy Bailey spent Wednesday in Jackson, Miss.

Mr. and Mrs. J. H. Horn spent Sunday in Water Valley as guests of Mrs. Horn's brother, Mr. Dave Pattison.

Grenadians were happy to see Lynn Williams, right from camp in the wilds of Louisiana at home Wednesday and Thursday.

Mr. and Mrs. James Work and two sons, James and David, of Memphis, were guests of Mr. and Mrs. Art Quantrell the past week-end.

With The County Agent

More farmers in the county are planning to plant winter legume crops to enrich their soil this fall than ever before. Our farmers will be paid \$1.50 per acre for planting soil building crops this fall and \$1.50 more on next year's program for plowing them under. In addition, these crops will count on the 25 percent required ment next year and it will not be necessary for them to plant so much peas, beans and lespedeza. Many farmers plan to earn their soil building payments by fertilizing their pastures with lime and phosphate.

Uncle Ed Lewis, Ben McElwain, and Charles Perry have decided to save their farms from soil erosion. They have Gus Hayward with the "Power Terracing Unit" building terraces and ditches.

Mrs. Allie Ross had enough terraces constructed on her farm to earn her soil building payment for this year.

The 1942 AAA Program contains the same "25 percent" requirement for winter and summer legumes. The Commodity Credit Corporation has set a floor under the price of common lespedeza seed at \$3.00 a bushel. Probably all legume seed will be high next year. This makes it important that

our landlords and tenants save all the peas, soy beans, lespedeza seeds for home use and for sale to supplement the income from the short cotton crop. The "Screw Worms" were discovered in our county on the farm of N. N. Wright. This pest causes serious damage to all classes of livestock. On Mr. Wright's farm they attacked the young calves on the nafts, causing a swelling. In one case as many as 50 worms were removed from the navel of one calf.

The worms are caused by a small fly similar to the house fly but it has a green head. The eggs hatch in six hours. The fly lays the eggs wherever the skin is cut or broken and it is advisable to stop ringing hogs, castrating, etc. If injured livestock and baby calves should be watched as they are attacked before the navel is healed. The treatment consists of cutting all affected body parts, removing the worms and treating with ether, chloroform or benzol and pine oil or coal tar.

Pay your subscription.

Since he has completed his efforts to get Doxey elected, Red Briscoe can now devote his attention to Bilbo, Johnson, Lowery and Ford.

DYRE-KENT GRID PICK

L. C. Angevine gets the free drinks for picking last Saturday's games, scoring 8 out of 10. Last Saturday's games did not participate in the free ticket to the Ole Miss-State game. The big contest is on this week, free drinks every week plus the free ticket to the Ole Miss-State game for the best season average.

My Column

(Continued from Page 1, Sect One)
He is a man that can hear the thump of the poor man's heart above the

single of the dollar in the rich man's pocket. He advocates the abolishment of the poor houses in Mississippi. He promises to give old couples who can no longer earn their subsistence a

\$30.00 pension so they can live in peace and tranquility, whispering undying love into each other's ears until divine Providence call them to eternal rest. (That's a good vote-getter. I know of one candidate who got thousands of votes on such tripe). Brother Roane is a sincere man and he has many good planks in his platform. They are too numerous to mention here, so I will let him write a few views on army life in his corner. Mr. Roane—His Corner:

Mr. Roane refuses to comment—may be next week, he says. He's already like a politician we know so well.

SCOBEY NEWS

Mrs. Sallie Orman Genon, of Memphis, spent the week-end with her mother, Mrs. Alice Duke. She was accompanied home by her mother, Mrs. Sarah Robinson, who had spent part of the summer with her sister, Mrs. Duke.

Mr. and Mrs. Clyde Crenshaw are proud parents of a little daughter born last Wednesday morning, Sept. 24th. The little lady has been named Patsy Ann. Dr. F. B. Coats, of Hardy was the attending physician.

Mr. and Mrs. Bizz Jennings and sons, James and Bobby Gene of Brazil spent Sunday with their mother and grandmother, Mrs. W. L. Jennings. Mrs. Jennings returned home with her son and family to spend two or three weeks.

Miss Lillie Carr spent last week in Kirkman with her cousin, Mr. Arthur Dixon and family and attended the all-day singing at Coffeeville Sunday.

Persons from here who attended the all-day singing at Coffeeville Sunday were Mrs. Noel Willbourn, Felix Sykes, Mrs. Norma Sykes, Mr. and Mrs. L. B. Carr, Mr. J. W. Lipencott, Mr. and Mrs. J. C. Jordan and Mr. and Mrs. P. S. Clements.

Miss Annie Claire McSwine of Blue Mountain College spent a few days last week with her parents, Mr. and Mrs. Clyde Crenshaw.

Miss Pauline Early of near Water Valley spent last week end with her mother Mrs. Charlie Early.

Several from here attended the fairs at Charleston and Water Valley last week.

Mr. and Mrs. Cedric Best and daughter, Carolyn of Charleston, spent Sunday with their brothers and uncle, Mr. C. E. Best and family.

GORE SPRINGS NEWS

Mr. and Mrs. J. C. Tharpe are spending a few weeks in Grenada as the guests of Mr. and Mrs. J. E. Tharpe.

Dinner guests of Mr. and Mrs. D. M. Trussell Sunday were Rev. and Mrs. F. Z. Huffstater, of Sledge, Mr. and Mrs. Edwin McCormack, of Grenada.

Mesdames F. E. Gillon, Calvin Clanton, and Guy James were mingling with Greenwood friends Wednesday.

Mr. and Mrs. S. E. Gillon and Mr. and Mrs. Howard James made a business trip to Memphis Friday, having dental work done for Mr. Gillon.

Mr. and Mrs. J. W. McCormick, of Grenada, spent the week-end in the

home of Mr. and Mrs. T. P. Halle.

Mrs. Eugene McGehee and little daughter spent Saturday night in Bell-fountain as guests of Rev. and Mrs. J. W. Hicks.

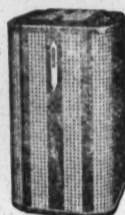

Misses Pryor, Ballard, Pittman and McNeal made home runs thru the week-end.

Mrs. Jesse Haven and little daughter, Billie Gene, spent Saturday night in the home of Mr. and Mrs. Ear. Tharpe.

MISCELLANEOUS SHOWER

A miscellaneous shower was given on Sept. 25 in the home of Mrs. Annie Tharpe with Mrs. Dora Sultan as cohostess honoring Mesdames Pat Ferguson and Regina Tharpe, who are just beginning their first house-keeping. The house throughout was decorated with wild blue and yellow fall flowers. After guests had arrived and all enjoyed a social chat with each other little Earl Tharpe, Jr., entertained the crowd with several numbers on his mandolin, after which Mesdames Homer Trussell and Telford Worsham presented Mesdames Ferguson and Tharpe, who were seated together by their husbands with many useful and beautiful gifts.

Cake, pickles, tea and sandwiches were served to 27 guests.

By The Editor

V

See the Navy Recruiting Officer at the Grenada postoffice and get him to tell you of Uncle Sam's offers for alert young men.

Alas they sweet.

Willie Friedman reports that the chronic borrower is still bothering him about Willie's copy of the GCW.

Fortunately a few of our people see where cotton is leading the country and this few has gone into cattle raising and into the production of other things; but the many still pursue the cotton path which will lead unerringly to ruin. We MUST find something to replace cotton as our main crop. \$100 per bale cotton is purely artificial.

Our young, handsome and intelligent friend, Francis Hill, a second year man at Davidson College, is getting the GCW again this year. Dr. Hill misses Francis, but can stand it.

John Kraft, the big cheese (man) of Chicago, is a regular receiver of the GCW.

John Keeton, Jr., is another student at Ole Miss who has taken advantage of the \$1 per school year. Since he is away, we do not know what the Bulldog editors will write about.

Dirt From The Bulldog

Benton has stayed around the hospital so much he feels quite at home there. Here's hoping Jean is back in school soon.

Giles Patty hangs around Mr. Green's from the time school is out until supper time. P. S. Margaret has a new record player and Saturday night there were plenty of boys and girls trying it out.

Louise and certain others are looking forward to certain week-ends.

Jean Scott Burt, now of Memphis, was here over the week-end "R" Pleasants squirmed her to the carnival Friday. While they were up in the "Rollo Plane," with Beebe and Larry, the plane broke. They were left at some awful place in mid air. It is told that our Junior reporter prayed as he had never prayed before.

More carnival news: Mary Lib won a two inch cross-eyed, knock-kneed, glass doll.

"Fattie" McCormick was having a fine time on all the rides.

Estelle Bailey was with some boy (we didn't know his name) taking in all rides and side shows.

Dot Talbert was seen with John Purdy Thursday night riding the "Octopus". Also they were at the show Friday night.

Jimmy Haile and Leon Provine were "bawling" all the folks up by telling them where to park.

Several G. H. S. members had wrecks in the little motor cars. We won't tell the names as their driver's license might be taken from them.

Katy and Camilla were out celebrating as they were home from college this week-end.

Elliott turned out in full swing for this affair. The Abel sisters and Jean Thomas were there. Jean says she'll never be the same after the "Rollo Plane" ride.

People you saw walking around in a daze last week-end were probably still going round and round and round.

Nelle had a date with an Ole Miss man Saturday. Anne Odum was with Tilman Rose, of Winona.

Congratulations to Martha Johnsey our new cheer-leader.

Lynn Rose and Betty Edwards were at the carnival together. Lynn was also over "Cullen" way Sunday night.

The race between Jack Calk and Johnny Mitchell over Roberta Allen is as hot as the Collins-Doxey race.

Bridge games after school are becoming as regular as English Class.

George Granberry, the greenest of all green freshmen!

Attend all football games!

Only bald-headed folks you see during the week-ends are probably the dignified seniors of '41, who are very undignified freshmen at their respective colleges.

Wanted: Five dollars to complete funds for the Thanksgiving dance.

MRS. W. W. WHITAKER MADE NAVY EDITOR GRENADA COUNTY WEEKLY

At the suggestion of Secretary of Navy Knox, Mrs. W. W. Whitaker of the Grenada County Weekly has been made Navy Editor, to help the Navy in giving ambitious local young men information about the opportunities the "Two-Ocean Navy" offers them for technical training and advancement as they serve their country in its emergency.

According to an announcement made public in Washington, a limited number of additional men between the ages of 17 and 50 will be given a chance, by enlistment in the Navy or Naval Reserve, to get to the top, with big pay in jobs which by their aptitude and as a result of examination they show themselves fitted, from among nearly 50 different trades and vocations. These include such callings as aviation, machinists, dental technician, photographer, diesel engineer, radio technician, electrician, welder, storekeeper, and baker. Enlisted men may also qualify for commissions as officers.

Beginning this week, the Navy plans for a limited time to accept new qualified men for training. These men will be sent to one of four Naval Training Stations and may have a chance to go to a Navy Trade School even before assignment to the fleet. During this period they will be given regular Navy pay and the Navy's free schooling valued at hundreds of dollars.

"Never in the history of the United States has there been greater opportunity for loyal young Americans to serve their country and build their futures than right now," said Secretary Knox.

In outlining the many advantages offered by enlistment in the United States Navy, Mrs. Whitaker, Navy Editor of the Grenada County Weekly, "It is possible for a bright young man to increase his pay seven times during his first enlistment and he can earn as much as \$128 a month. This monthly figure is actually worth much more when it is remembered that the man has few living expenses and is provided with the finest of medical and dental care.

"You have all your food and lodging and also your original outfit of clothing provided by Uncle Sam free," Mrs. Whitaker continued. "In addition there are free sports and entertainment—even to the latest Hollywood pictures. On top of this you get free travel and adventure in colorful places—a thing few civilians can afford.

"When you consider the size of this country and the fact that the Navy will select only 15,000 applicants a month from many times that number throughout the United States, the quotation, 'Many are called but few are chosen,' will apply to local young men interested.

"Navy men are a 'hand-picked' lot. Candidates must be men of more than average intelligence and ambition, of fine moral character and must have the written recommendation of at least two local townspeople."

As Navy Editor, Mrs. Whitaker has just received from Washington a supply of free illustrated booklets for all men interested and, in addition will welcome inquiries from young men who wish to look into the new and greater opportunities the Navy now offers for training for future civilian careers as they serve their country now in its emergency.

MISS DUBARD SELECTED

Miss Etoile Dubard, who was selected as one of 70 upperclassmen students counsellors at Mary Hardin-Baylor College, Belton, Texas, attended a training conference at the college last week. She also took part in Alma Reeves Chapel program which was given for freshmen and new students.

Miss Dubard, who will be a senior this year, will continue to serve throughout the year as counselor. Student counsellors are chosen each year from among the outstanding students on the campus. Counsellors assist in orientating new students and to act as friendly advisers throughout the school year.

COTTON GINNING REPORT

Census report shows that 621 bales of cotton were ginned in Grenada county, Mississippi, from the crop of 1941 prior to Sept. 16th as compared with 54 bales for the crop of 1940.

LET'S WORK FOR OUR PLACES

Mr. Wylie said in his speech last Wednesday morning, that sooner or later every person will find his place in life, whether that place be small or large. The comments that Mr. Wylie made should cause every one of us to think seriously about them. All of us know that we will have some place to fill in the coming years and we should therefore strive to fill those places to the best of our ability and not slack up when the going is hard. Like Joseph, we should always see the chance to do a job and then doing it willingly. Every day that comes should find us further along with the work through which we shall reach our highest goal. While going to school, we should think about what we can avoid doing but what we can do to further our progress and the

progress of the school as a whole. Finding one's life work is not an easy job. The only way we can find it is to work hard with our best ability and use our every opportunity. Neither Mr. Rundle nor any of the teachers in high school can give us ambition to accomplish great things in life—that ambition must be born within!

CHAPEL

The Assembly program Wednesday was unusually enjoyable. Carolyn Whitaker sang "Pale Moon," an Indian love song. James Thomas played Listz's Rhapsody.

Rev. Glen Wiley of the Baptist Church conducted the devotional. His text was "Six days of the week, shall thou labor." He said that if a person didn't work, he would never attain success. Using the story of Joseph, Mr. Wiley emphasized that not luck but faithful, intelligent service brings reward.

Bennie Moore announced the new football squad's captain and sponsor. Billie Saunders, a very ardent football fan, was selected as sponsor. Bet Thompson, a four or five year football player, was chosen as captain.

At the close of the meeting, Martha Johnsey was elected school cheer leader, and led the student body in singing "We're Loyal to You Grenada High."

CLASSES ELECT OFFICERS

On Friday, September 19, all the classes reported to their meetings, elected officers, and discussed their pro-

grams for this year.

Bennie Moore was reelected president of the Junior class. Winifred Saunders was chosen vice-president, and Mary Nell Rayburn, secretary-treasurer.

The members of the Sophomore Class reelected their officers of last year—Lary Noble, president; Laverne Wilson, vice-president; and Mary Elizabeth Cowan, secretary-treasurer.

Blanton Duncan was elected president of the Freshman Class. Martha

Cullen was elected vice-president. Mary Jane Dalgre, secretary; Willie Evelyn Campbell, treasurer, and W. T. Costlow, reporter.

For 1942—a Beautiful New

FORD

"6" OR "8"

IN THESE UNUSUAL TIMES we invite you to inspect an unusual new car—new in its beauty, its comfort, its choice of two fine 90 horsepower engines, 6 cylinders or 8.

See it and you sense at once that here is new style that will stay good for years. On a lower, wider chassis, we have designed new long, low, wide and modern lines.

Interior treatment is entirely fresh, distinctive, pleasing. The beauty of this Ford will more than hold its own in any company.

Inside, the car is big—wide across the seats, generous in knee-room, leg-room, elbow-room.

On the road this year you find the "new Ford ride" still further advanced in its softness, quietness, steadiness and all-round comfort.

At the wheel, you will find driving easier than ever. Steering, gear-shifting, action of the big and sure hydraulic brakes have all been made smoother and easier.

In quality, the car is sound to the last detail. Defense requirements have all been met without a single reduction in the basic and lasting goodness of the Ford mechanically. Some new materials have replaced old ones, usually at a greater cost to us, but in every case the new is equal to or better than the old.

If your family needs a new car, go see and drive this Ford. For what it is today and for what it will be through the years ahead, we believe that you will find in it more and better transportation for your money than you have ever found before.

Good News For National Defense And Motorists

A new kind of automobile that is expected to save America more than 10,000,000 gallons of gasoline next year made its first appearance here today when one of the new cars was driven in from Memphis by Mr. W. P. Moss, a leading local automobile retailer.

Mr. Moss said that he made the 100 mile trip on 4 gallons of gasoline, an average of 25 miles per gallon, driving at ordinary highway speed. The car, a 1942 Nash Ambassador "600" stock model, set up its record performance under wide variety of driving conditions, he said. It is now being given its first public showings throughout the country.

The car traveled about 40 percent farther, he said, on a gallon of gasoline than he has ever traveled in a full-sized car.

This achievement, particularly significant in view of potential gasoline shortage, national defense requirements and increased taxes, was declared by Mr. Moss to be the result of a new type of engine and automobile body construction that is based on a principle borrowed from the airplane industry.

Developed for automotive application after four years of research, the new body construction is known in aviation circles as "Monocoque." Internal struts of grider steel are welded together, Mr. Moss said, so that they resemble the grider pattern of cantilever bridges. The exterior sheet of the body is then welded to this framework in such a way that these steel panels become additional supporting members.

The car has no separate frame as in conventional design, and the whole car is as complete a unit as the hull of a new all-welded steel battleship, he said.

The result, he declared, was a stronger, safer body, with about 500 pounds of dead weight eliminated, without sacrificing safety or roominess.

The car is powered by a new high efficiency, I-head motor, especially designed to do the job, Mr. Moss explained.

"Savings like this in the next few years may cut the nation's passenger car fuel bill by about 40 per cent and save many millions of gallons of petroleum products for defense needs," Mr. Moss declared.

The car is now on display at his showroom, he said, inviting motorists to inspect it.

Seen, Heard and Told By The Editor

Henry Fay has got a job of interest money out of me, but I got \$1.50 of it back recently when he renewed.

A fellow running along 51 Highway about 100 miles an hour was intercepted by a highway cop who was asked by the driver, "Am I driving too fast, buddy?" "No," said the cop, "you are flying too low."

Aaron Hudson from Black Hawk was a recent visitor. He and Don Moore, of Cohen Lake, were busy conferring probably about the boll weevils.

Aint they sweet

Have I rate the possibilities offered by the U. S. Navy. Good pay. Fine food, warm, dry quarters, opportunities for advancement, and opportunity to learn a skilled trade which will fit you to earn a good living after your enlistment expires.

Ralph Semmes, the old man, got his subscription business in good shape not so long ago. He and wife are charter members.

The Trust Bank force had to work until after 3 o'clock Friday afternoon. Aint life hard?

Greenfield was off on Wednesday of this week again on a Jewish holiday just wait until Christmas!

Neighbor Fred White who certainly is crazy about those two fine little daughters will again receive the GCW as he did the proper thing.

The old lady has received recently some nice cards for engraved stationery. Do it again.

Wonder if the city ever has any job printing done?

L. C. Howard, it is reported, was robbed by a housebreaker Thursday night. Over a hundred dollars was the haul. Bloodhounds were secured, but no dogs would have done just as much good. Somebody is going to have to breed some dogs who will track a Ford car.

Several attempts have been made recently to enter by night the home of Mrs. Ellis Torrey.

Snack-thieves and burglars are getting mighty bad here.

Vince Barranco, our good Depot Street friend, has been added to the Roll of Honor by virtue of a renewal.

You all did not keep Horn and Harry busy all day Friday and Saturday last. Unless busy they are likely to get full of skunk.

Red Briscoe was as busy as a one armed paper hanger last week, so busy that he forgot his QUIZ program.

Well, good by, Roll-em.

Here Mr. Top, I heretofore that Mr. Eastlin who is now in the snit will be a candy date next year, what do you think?

Another charter member, Mrs. E. L. Gerard, has renewed and hereby receives our thanks.

Much obliged to John Rundle for a season pass to the football games for the old lady and me.

Grenada can never enjoy great prosperity when so many of its people live on a bare subsistence level. The prosperity that Grenada now enjoys is bound to decline when the inevitable collapse of the cotton economy comes.

We have not heard what Jimmie Arington dubbed his new boy, but he should dub him Wall Dooey, or, at least Mike Conner, as he is crazy about both of these gentlemen.

Many hundreds of families in Grenada county live upon the proceeds of one-half of two or three bales of cotton. Not producing anything worthy of the name, they have no purchasing power, and their income, if they live at all, must be supplemented by government work, and by subsidies of one form or another.

Grandpaw Kirk must have known what was coming for, he celebrated in advance by renewing his own subscription and that of his daughter, Mrs. George Wofford, of Sumner, the mother of his grandbaby.

Some of our people, sensing the collapse of cotton, are forming nice herds of white face cattle, but what of the majority of country people, the sharecroppers and the tenants, who have no money to buy cattle and no land to use as pastures?

Why not see the navy recruiting officer and let him explain to you the many advantages that service in Uncle Sam's fleet offers.

Mrs. Beniah Jackson, who like our selves, has a son in the "home" company, recently got her time on the mailing list extended a year. Thanks sister Jackson.

With cotton and seed bringing one hundred dollars a bale, the proceeds from the cotton crop in this county will be greater than last year—and there will be less picking.

This is probably advice that will not be heeded: you farmers have plenty of time to prepare some place, even the old fashioned kilns, to store your sweet potatoes. Why not do it? Eighty per cent of the potatoes not eaten before freezing weather rot in Grenada county, and everybody knows that is the truth. The more shiftless the man, and the more his family needs potatoes for winter and spring, the more potatoes he permits to rot. And that's a fact too.

If Mississippi has such a great surplus in the treasury, why not lower the state ad valorem tax levy?

We have finally added the local office of the power trust to our regular mailing list. Therefore, we will have nothing to say of TVA and the municipal plant in this issue.

Several expressed commendation for the old lady's editorial on the U. S. Navy in last week's paper. Maybe, I'll just turn the editorial business over to her and Allen, and confine my writing to such crap as this, and front page news.

This county could produce a million gallons of sorghum for sale in the outside world PROVIDED the quality was uniformly good. Some sorghum made in this county is hardly fit to feed a hog.

Due to good luck and to the forgiveness of our creditors, we have been able to get by another first of the month. How many more we can get by without starting to preaching, we know not.

Here mis penny lope, I seen a peace in the cummershu appeal where over fren air robbery sun had spoke 2 a bunch in new albany and wes pint

Vernon Gibson must have had a short crop, soon gathered, for he has been loading around the court house a good deal lately.

Too many things spring up, born in enthusiasm, then suddenly die in Grenada. It requires hard, unrelenting work to get things done, not sporadic speechmaking and periodic peorating.

While we admit that we lack a heap of having 80 percent of the homes of Grenada county on our mailing list, we can assure our advertisers that we have a new subscriber in the person of Mrs. W. A. McCool.

Now that the election is over and forgotten, I guess we folks in Grenada can divide on some other issue.

I am Service Officer of the American Legion and, though I am "green" on the job, I have a bunch of blanks and will try to help you fill in your papers.

James Townes, Sr., helped John George and Ward Alexander last week.

College Students GO BY BUS

Most students have to watch their pennies. Mother and father have saved for years to enable them to go to college. They appreciate what a college education means when they go home for the holidays or attend the games. They know that they can go via Tri-State for much less than any other way. And they enjoy going in a group together. Join in the fun this year by traveling the Tri-State way.

ALL SAINTS AUXILIARY

On Monday, September 23, the All Saints Auxiliary met twice. The U. T. O. corporate communion service was attended by a splendid group at ten o'clock in the morning and in the afternoon members met in the home of Mrs. E. B. Barkley for a social.

The little orphan, Sadie Kea, at Natchez, who has been selected by the Auxiliary as their little girl, was remembered at this meeting, and very substantial gifts of clothing, also money donations with which to purchase more clothing, were made.

After informal discussions, pertaining to Auxiliary affairs, were ended, the hostess assisted by Mrs. Harry Buckley and Mrs. C. C. Cathey, served a beautiful tea plate.

MRS. LEE HONORED

Mrs. Robert E. Lee, of Vance, who was the charming guest of her daughter, Mrs. David Dubard, last week, was honored at a lovely afternoon bridge party on Friday of last week. Two tables were arranged in the living room which was richly decorated with colorful streamers. At the conclusion of several rounds of bridge, the hostess served a lovely refreshment plate.

DARNEY'S LEAVING GRENADA

Friends of Mr. and Mrs. J. C. Darney and their two interesting children, will leave Grenada to make their home in Hixson, Mr. Darney has held the responsible position of Group Manager for the Southern Bell Telephone and Telegraph Company for 2 years in Grenada, succeeding Mr. C. M. Jones, retired. They have made many friends in the social and business circles of Grenada and will be missed greatly in their church activities in which Mr. Darney was a vestryman and Mrs. Darney an active member of the Women's Auxiliary of the Episcopal congregation.

Miss Elise Lockett, who is a valued employee of the AAA office in Jackson, is at home for a month's leave from her duties.

Mr. and Mrs. D. J. Fair of Louisville, were guests of their daughter, Mrs. Rob Brown and family last week end.

ANNOUNCEMENT

The Civic League will meet at the home of Mrs. W. R. Tait on Wednesday, October 2 at 3 o'clock. A full attendance is urged. Pub. Chron.

William Winter, of University of Mississippi, spent the week-end at home.

Senator and Mrs. W. A. Winter attended the funeral services of Mr. Provine in Coffeeville last Friday. Later in the day they went to Water Valley for a brief visit with Mrs. Winter's sister, Mrs. Afton Smith.

Mrs. F. S. Hill is visiting her mother, Mrs. Shelton, in Covington Tennessee. She expects to be away for three weeks.

Miss Dorothy Whitaker, student at All Saints Episcopal College, was elected President of the International Relations Club for 1941-42 term. She is the daughter of Mr. and Mrs. W. W. Whitaker of Grenada.

Mrs. C. V. McKell left Thursday for Schenady, N. Y. to visit her parents who live there.

Bobby Weir, accompanied by his friend Wilbourn Crawford of Mobern Junior College spent the week-end at home with their parents, Mr. and Mrs. S. A. Weir. Another guest in this home was Mrs. Dave Pabst of Rome, Mississippi, who spent a few days with Mrs. Weir recently.

Mr. and Mrs. Spivey, Kent and Mr. and Mrs. S. H. Garner spent Monday in Memphis.

Mr. and Mrs. T. J. Deat, motored to Abbeville, Mississippi, on Sunday to bring their aunt, Mrs. Anna Cross, to Grenada for a visit in their home.

Rev. C. S. Liles spent part of Monday and Tuesday in Forest, Mississippi.

Mrs. E. B. Provine is happy to have her eldest son and his charming wife from Oklahoma City, Okla., for a visit this week.

Miss Lucy Cox, of Jackson, Miss., arrived Monday for a visit with her sister, Mrs. C. E. Lockett.

Mrs. Ernestine Martin spent the past week-end in Batesville with her sister.

Mrs. H. B. Spain returned home from Meridian Monday. She spent the month of September in the home of her daughter, Mrs. Arthur Grider, nee Peggie Spain, having gone at this time to be with her little grandson, Laniere, so that Mrs. Grider might be in Jackson with her husband who was seriously ill in a hospital there. Mrs. Grider and baby son accompanied Mrs. Spain to Grenada, and Mr. Grider will recuperate at his mother's home. Laniere for a few weeks before the family again returns to their Meridian home.

Mrs. Junius Townes, Sr., returned from Chicago on Saturday. She spent ten days in that city and received medical treatment while there. Mrs. Townes reports short visits in several other of the northern states.

Miss Betty Sherwood, of Tupelo, spent Sunday here with her parents, Mr. and Mrs. Wallace Sherwood.

Mrs. John P. Fisher and little daughter, Phyllis, of Jonestown, spent Saturday here with Mrs. King, the Misses Deak and Mr. and Mrs. Roy Deak.

Mrs. Norma Caldwell returned to her home in Jackson on Sunday evening in company with her children, Mr. and Mrs. O. L. Bradshaw and little Norma Bradshaw. They were guests of Mrs. A. W. George, Mrs. William M. Mitchell and Mrs. Frank Gerard.

Mr. and Mrs. E. G. Wiley and two children, of Macon, Miss., are new residents of Grenada, making their home in the Hill home on Kershaw St. Mr. Wiley is a valued employee of Grenada Farms Dairy. We welcome this fine family to Grenada.

Miss Bess Wood attended Carroll's Follies in Memphis last Saturday evening. She went with friends from Coffeeville.

Miss Juliette Deak accompanied her sister, Miss Robbie, to Hot Springs, Ark., for a sojourn of several weeks.

Mr. Linden Wright, Ensign of the United States Navy, who has been stationed at Norfolk, Virginia, spent the week end in Grenada as he was enroute to his new post in New Orleans.

Ernest Penn, Jr., who is employed in Memphis, spent the week-end at home with his parents.

Miss Adelle Hoffa visited her sister, Mrs. R. P. Lake in Memphis last week.

Mr. and Mrs. W. E. Jackson spent Thursday night and Friday in Memphis attending to business.

AN EXPRESSION OF APPRECIATION

To our many friends and neighbors we wish to express our sincere appreciation for the many expressions of sympathy, acts of kindness, and offerings of love in the loss of our dear husband, father, son, and brother. We thank you from the depths of our hearts for the many things that were done to help us to pass through the dark hours of our sadness. God, a heaven only knows how much we appreciate it.

Mrs. Jack Atkinson, Jackie and Robbie Atkinson, Mrs. E. L. Atkinson, Sr. and Family.

Alas they sweet.

Seen, Heard and Told By The Editor

Jay Gore has put in new floors to his show windows. Thus Grenada Grows.

At last I was on the winning side. It's a long time that never turns.

Little Bryan Baker, who was very efficient help for Homer Williams at the picture show during the former's vacation from State College, invested a dollar of his money in a student's subscription to the GCW.

BOLLING JONES, JR., Pres., Atlanta Stove Works.

Made by ATLANTA STOVE WORKS

Half a century of making fine stoves, ranges, circulators and heaters stands behind the Atlanta Stove Works and their products. The designs of Atlanta Stoves have stood the test of time and use, and the improvements that have been made in them are the results of painstaking study and experience. These stoves are specially designed for getting the most heat from the fuels that are available in the South. They are Southern Stoves for Southern Use. Atlanta Ranges have been famous for years for their superior cooking qualities. Deep flues, and heavy castings insure the quick and even distribution of the heat so that cooking is easier and more economical. The quality of materials used, and the fact that the stoves are made entirely under one roof, by skilled labor, guarantees longer life and better service. Remember, too, that you can always get new parts for any Atlanta Stove, regardless of when it was made. Look for the Atlanta Name Plate. It is your guarantee of a perfect stove.

BLACK PRINCE RANGE

A model of service, economy and dependability. A quality product through out, heavy and durable, heats rapidly and evenly. Oven and warming closet doors porcelain finished. Oven size 16 1/8 x 15 1/8 x 10 inches. New parts can be secured for this stove at any time, like all Atlanta stoves.

GRENADA, MISS.

News Obtained On Last Sunday Afternoon

(Continued from last week)

Uncle Pink and wife celebrated their 40th anniversary last week. Each of them is about ninety years of age. His memories of the past are very vivid and he stated that the period in his life that he thought the best one was when he was courting the girls, the old rascal. Warner Horton and "Miss" Lala have opened their home, their crib, their smoke house, their purse and their hearts to less fortunate people for countless years. No more kindly and generous people live than this childless couple. They love all children and have reared many of them.

Inquiring of a negro along the road we found out that Dave Williams, he thought, was not at home.

We intended to head on up the river to Spears and Mt. Nebo, but, as the sun was getting low, we turned east and passed thru Graysport, where we heard that Miss Willie was better. Our old friend, Henry Marters and other friends were "resting" at the filling station.

Though Mr. Jim Shaw was not at home (we found out afterwards he was visiting his daughter in Louisiana), we noted that he had plenty of fire wood stacked neatly in the front yard of the Ed Perry home, which he rented; that he had raised a fine garden and had himself canned enough stuff to last the winter. If all people were like old man Jim Shaw, they could throw the "alphabet" out of the window.

Passing on, we came by the Gore Springs school plant which certainly did look neat and orderly. Mr. McGahey and the trustees and the teachers deserve much credit for their splendid work in that community.

Just about sundown, we drove in to see George and Mrs. Chamberlain, both of whom were sorrowful about the fact that their youngest son was to leave Monday to become a member of the ground force of the air arm of the U. S. Army, and would be sent to the Gulf Coast. It comes to all parents

THE STATE OF MISSISSIPPI,
To Mrs. Margie Crowe Brown, Enville, Tennessee;

You are summoned to appear before the Chancery Court of the County of Grenada in said State on the third Monday of October, A. D. 1941, to defend the suit No. 5471 in said Court of Elmer Brown, wherein you are a defendant.

This 17th day of September, A. D. 1941.

that finally, the last child marries and moves away, leaving the old home cheerless and drear. These scenes of parting of parents and sons, unfortunately are repeated a thousand times daily throughout the Nation, but that makes it no lighter on the individual parent.

Last somebody might think we were on a political mission, we candidly state that neither Collins nor Doxey was mentioned all day. We regretted that we could not have stopped to see ALL of our numerous friends, but we will get back another day.

Those who WANTED something to eat and were willing to WORK to that end, have corn, peas and potatoes; they have milk cows and fattening hogs. The lazy ones, like the grasshoppers, will have to get their food from the commodity warehouse this winter in spite of the best season known for the growing of gardens, corn, peas and potatoes.

Seen, Heard and Told By The Editor

Rob Brown entertained the members of his club Wednesday evening. Cheese, etc., were served. Peep under was played.

Our genial and gracious friend, Col. Kahn, of Duck Hill, was wrong again, as usual. He, Hurd Horton and I used to form the ever-lasting triumvirate. Hurd chose Johnson last time, while the Col. and I stuck to Conner, thus showing that Hurd was not the Jonah. He is a genial, gracious, gregarious Jonah at that, even if it cost him cash money.

Poor Collins!

Our "devil", Andrew Whitaker, is catching on to printing quicker than anyone I ever witnessed. Pretty soon all any of us will have to do is let Andrew do it.

The P. T. A. Starts Its Membership Drive

The Parent Teacher Association is again asking you to think while on its organization and work. This is one organization in our community that should include not only every parent and every teacher, but every citizen in Grenada because, if there is one communal interest in any locality it is certainly children and youth and their welfare.

The annual membership drive for our P. T. A. opens October 1st, and it continues through the entire month. As usual, we are sponsoring a contest between the grades in our school, offering rewards to that grade obtaining the most members for the Association. This contest, however, will run only one week - from October 1 to October 8. At the regular P. T. A. meeting on October 9th the winning grades will be announced.

We want as large an active membership as possible—an active member is always an interested one. We realize that there are some of you who, for business or other reasons, are unable to attend all of our meetings. We need you, too, as members. We need your names on our list, we need your membership dues.

The dues for membership are only fifty cents per year. The financial work of this organization is carried on with the dues collected at this time. The money is always spent in helping some school project. We sponsor the lunch-room, where many children are served hot lunches at noon each day, we sponsor the Cub Scouts, a national organization for boys from 9 to 12 years of age; we always have our summer round-up program in the vacation period, when children are examined and those needing medical or dental treatment are cared for. These are some of the places where P. T. A. money is used.

This is a worthy organization and one that comes close to the heart of all of us. Grenadians have always been most loyal to it. Support us again and help us reach our goal of 300 members! When you are approached by either a child, a parent or a teacher be ready to join; and know that in joining you have become a part of a group reaching to all sections of our country—a group working always toward a happier and a healthier life for our children.

—Mrs. O. R. Lilly.

Seen, Heard and Told By The Editor

When returning from a trip bring Bobby Burkley a package of matches and bring Mrs. Rose an elephant, not a live one, but a glass one, or a clay one or a paper machie (if that's the way to spell it) elephant.

Grandpaw Lewis Dubard saw to it that his daughter, Mrs. J. W. Lipscomb in Jackson, and his other daughter, Miss Marian in Aberdeen, gets this sheet another year. John McEachin said so soon, he should have waited and let grandpaw pay the bill.

Horn and Greenfield are likely to get into mischief this week-end unless you folks bring in some job printing to be done. The responsibility for their evil doing will, therefore, be on YOUR head, not mine. I have warned you.

BULLDOG

(Continued from 1st page 2nd Sect.) and that's exactly what we're going to write about.

Mary Lib's new short sleeved corauroy is quite the thing, it is a dark wine, two piece dress. The skirt is full

Whatever YOU want in tires we've got the perfect answer at real savings!

U.S. ROYAL MASTER

For those who demand the best! America's foremost safety tire. Greater protection against blow-outs and skids. Stops faster. Wears longer. Costs less than you think on our liberal change-over policy.

U.S. ROYAL DE LUXE

With famous "Bridle-Action" tread Royal De Luxe certainly gives you a whole lot for your money—in safety, in mileage, in all-round performance. Standard equipment on many of America's smart cars.

THE U.S. TIRE

The standard of tire quality. A long, full-size tire packed with U.S. quality and safety features. Built by "U.S." world's largest producer of rubber. Like all U.S. Tires, backed by a double lifetime guarantee.

444

Tire & Battery Shop

and has two pockets which looks capable of holding several things. Martha Johnson's new pink wool sweater looked right "snappy" with her light blue skirt.

Jackie sported a full-length red flannel coat to school. She said she was cold as she could be.

Lil and Emma Grace Hardy came out with their "sloppy Joe's" in honor of a few cool breezes.

Robert Allen's wine long-sleeved sweater with white beads looks very suitable for the occasion.

The styles in shoes haven't varied much in the last few years. All the girls are still wearing saddle oxfords

and white moccasins. Of course there are some originals who came out in purple and bright red shoes with orange heels.

The newest thing we've seen in pins is something Frances Herring has. It's made of artificial leaves and real chestnuts. We imagine sometimes at a hungry moment she'll be tempted.

BILLY TOWNSEND WINS DISTINCTION

Billy Townsend, G. E. S. graduate of 1941, is making an excellent record at the School of Technology in Fort Wayne, Indiana. One of his outstanding

achievements was in the entrance examinations given in mathematics in which he had five perfect papers. Billy is majoring in electrical engineering and radio television. He is not only taking these highly technical subjects but is also a member of the Radio Club, Civic Club, and the Glee Club.

Last year Billy was one of our four debaters who won the state championship. As a speaker he won high rating from each judge who heard him speak. He was also a member of the senior play cast and one of the commencement speakers. We at G. E. S. wish Billy the best of luck in college and hope he will win more honors!

POPEYE, THE RECRUITING OFFICER, HANDS OUT A ROUGH IDEA!

You'll look great in a Navy uniform!

Everyone looks bigger, handsomer, in that uniform Uncle Sam's Navy gives you. And that's only a start. Uncle Sam takes great care of his sailors.

Free meals. Free board. Free travel. Free medical and dental care. Free training in any one of fifty-odd skilled trades. And the Navy pays you good money while you learn.

What an opportunity! If you are 17 or over, get a free copy of the illustrated booklet, "Life in the U. S. Navy", from the Navy Editor of this newspaper.

SERVE YOUR COUNTRY! BUILD YOUR FUTURE! GET IN THE NAVY NOW!

FREE! TRAINING that is worth \$1500.00

READ HOW YOU TOO CAN BECOME AN EXPERT IN AVIATION, RADIO OR ENGINEERING AND DRAW GOOD PAY WHILE YOU LEARN!

IF YOU WANT to get ahead fast, to serve your country, to build yourself a good-paying future... here's the opportunity you've been waiting for.

The U. S. Navy may train you to become an expert in any one of nearly 50 skilled fields. Each month, over 5000 new men will be sent to a Navy Service School, where you can learn to be a Diesel engine operator, machinist, aviation mechanic, aerial photographer, radio operator, or whatever specialized work you're best fitted for. This first year's training which you get is worth at least \$1500.

The Navy foots the entire bill. You earn while you learn. In fact, it is possible for an enlisted man to earn up to \$126 per month—with keep.

You'll have plenty of opportunity for advancement in position and pay—and you'll have fun while you learn! You'll come out of the Navy fully prepared to take on a good job in private industry. And if you want to stay in the Service, you can go right to the top... and retire at the end of 20 years or 30 years with a liberal monthly income.

You can choose now between the regulars or the reserves. Both offer equal opportunities for advancement.

Get this FREE Booklet

Mail coupon for your free copy of "Life in the U. S. Navy," 24 pages, fully illustrated. It answers all your questions. Tells what your pay will be... promotions and vacations you can expect... how you can retire on a life income. Describes how you can learn any one of 45 big-pay trades from aviation to radio... how many may become officers. 27 scenes from Navy life showing sports and games you may play, ships you may be assigned to, exciting ports you may visit. Tells enlistment requirements and where to apply. If you are between 17 and 31 (no high school required), get this free book now. No obligation. Ask the Navy editor of this paper for a copy. Or telephone him. Or mail him the coupon. You can paste it on a penny postal card.

WEAR THIS BADGE OF HONOR! If after reading the free booklet you decide to apply for a place in the Navy, you will receive this smart lapel-embell. It is a badge of honor you will be proud to wear.

LOOK WHAT THE U. S. NAVY AND NAVAL RESERVE OFFER YOU

FREE TRAINING worth \$1500. Nearly 50 trades and vocations to choose from.

GOOD PAY with regular increases. You may earn up to \$126 a month. You are entitled to a generous vacation period, with full pay, each year.

GOOD FOOD and plenty of it.

FREE CLOTHING. A complete outfit of clothing when you first enlist. (Over \$100 worth.)

FREE MEDICAL CARE, including regular dental attention.

FINEST SPORTS and entertainment any man could ask for.

TRAVEL, ADVENTURE, THRILLS— You can't beat the Navy for them!

BECOME AN OFFICER. Many can work for an appointment to the Naval Academy or the Annapolis of the Air at Pensacola.

FUTURE SUCCESS. It's easy for Navy-trained men to get good-paying jobs in civil life.

LIBERAL RETIREMENT-PAY for regular Navy men.

ENROLL IN THE NAVAL RESERVE ...BE RELEASED AFTER THE EMERGENCY

The Secretary of the Navy has announced:—"All men now enlisting in the Naval Reserve will be retained on active Navy duty throughout the period of the national emergency, but they will be released to inactive duty as soon after the emergency as their services

can be spared, regardless of the length of time remaining in their enlistment." Remember—the regular Navy and Naval Reserve offer you the same travel, training, promotions, pay increases. Physical requirements in the Naval Reserve are more liberal. Send coupon!

SERVE YOUR COUNTRY ★ BUILD YOUR FUTURE

Tear out and take or send this coupon to the Navy Editor of this newspaper

Without any obligation on my part whatsoever, please send me free booklet, "Life in the Navy," giving full details about the opportunities for men in the Navy or Naval Reserve.
